RE : Sofo Construction Ltd.

To Whom it May Concern,

It is with pleasure that I write this testimonial for Sofo Construction Ltd. Having been in architectural practice for almost thirty years, with a major emphasis on residential projects both new and renovations, I admire the professionalism, responsiveness and work ethic of Sofo.

Efficient use of the architect's time, a willingness to look out for the best interests of my clients and making correct judgments are just a few of their attributes. In addition, their attention to detail, willingness to produce required paperwork in a timely manner, insistence on good workmanship, as well as courtesy and respect for homeowners contribute to the success of our projects.

I can recommend them without hesitation and particularly commend the work of Radu Soos. Please feel free to contact us at any time for a reference. I can be reached at contacts below.

Sincerely,

Elizabeth MacKenzie
